Subject: Please do not renew the permit for Eagle Oil Co, Phoenix Production Co and WESCO Operating, Inc.

Hello,

Please do not renew the following permits:

Eagle Oil and Gas Company - Sheldon Dome Facility; NPDES Permit No. WY-0020338,

Phoenix Production Company - Sheldon Dome Field; NPDES Permit No. WY-0024953

Phoenix Production Company - Rolff Lake Unit; NPDES Permit No. WY-0024945

WESCO Operating, Inc. - Sheldon Dome Field; NPDES Permit. No. WY-0025607

WESCO Operating, Inc. - Tensleep #1 (also known as Winkleman Dome); NPDES Permit No. WY-0025232

Per the article on NPR yesterday (August 7, 2013), it is evident that these companies are releasing water that cannot be good for the cattle and wildlife of the area. Also, I find it far from equitable that such a permit is possible on reservation land but not in the rest of the state of Wyoming.

Thank you.
